The grammar in this book is great! He got straight to the point and didn't ramble. I saw very few mistakes, and they were minor. However, it does not make the eBook any harder to read.

Method:

I have never seen this method before, although I bet some people have done this. I personally would have never thought of this, and i doubt many others would either. I find it very original and easy to perform. Although it may take some time, it will definitely work!

Overall:

9/10

This method is a great way to get free clothes, and I would recommend it to anyone wanting to do so. It is super easy, and I could see it working almost 100% of the time.

Thanks for letting me receive a copy! I will definitely use it in the future!

It cannot get you everything for free,which is normal, but you can get some nice clothes with it. I would definitely buy it if I were you guys.

I honestly think that this method could really work. It does not take a lot of time to do not seems too hard.

You might have to do it more than once(you'll unerstand why when you buy it) but it is worth considering the free stuff you will get. I did not try it yet, but if I do so, I'll be sure to show some proof.

I have received a vouch copy of Dorenz.

I like the method, it's whitehat and doesn't involve requirements or anything hard. It's very easy to set up and I can see this working, the sites he provided are known sites and has very nice clothes. I'm very satisfied, one of the best methods I've ever bought/received.

9.8/10 good job Dorenz!

Okay so here is my review.

The method is unique and original, you will not see this kind of method anywhere. The steps are clearly explained and anyone can do it. The only con is it takes time so you need to have patience. it includes a little luck also. The tool which he has provided is a very useful tool which can be used for different methods also. overall the ebook is pretty nice and clean. it involves a bit of luck, patience and a bit of effort.

Thanks for your review man. To everyone: as S.A.M says don't expect to receive your stuff in 24 hours with a legit method. 10-15 mins a day and a bit of patience!
