Bump for this thread/service. :)

I'm wondering, can you do something little for me ? Just write "...FOR FREEDOM" (without quotes) in this font - <http://www.dafont.com/manga-speak.font>, in grey color. Font size could be around 16 or 18, I will tell you if I want it smaller.

Thanks.

Dean - July 5, 2010, 3:32 am

If you could make me one, that would be AMAZING.
I want to challenge you by saying, do WHATEVER you think will look good.
I just want you to include my alias- STaRR BoRNN
in it. Thanks in advance.<3
