Thanks for the vouch Critical. :)

SoCloseToToast - July 7, 2015, 3:13 pm

Vouch for my boy trygon, his previous method made me bank! Don't hesitate to buy his HQ products!

Edit: I just bought his method and I am reaping in cash! Trygon has the BEST method for making money safely and legally. I highly recommend buying his HQ ebook because if the huge profits I made so far.

Regulus - July 7, 2015, 3:17 pm

Posting here so I can see Sonex review on this eBook hehe. Looks like a nice eBook. :)

DamienVC - July 7, 2015, 5:59 pm

Vouch for this method, extremely grand.

sonex - July 8, 2015, 4:27 am

I've received copy from OP, theres really not much to say though except it works, and it will always work for as long as theres certain people that need "this", and trust me when I say people need it on a daily basis. Can this become saturated? Tehnically yes however with the sites OP provided, and a little common sense I can see thousands of people doing this with no issues whatsoever. Is there anyone out there doing this right now? Probably, but whats interesting the site OP provided is quite unknown hence you're one step ahead after reading this guide.

Did I at some point done this? Yes, thats how I know it works, what I personally didnt know about is the site, and it all relies on that one fairly unknown site. Earnings are unlimited imo, you can make 100\$ a day while spending 5 minutes. Overall this is easy to do, literally it takes little to no time, doesnt even involve "thinking", you have everything ready to start ASAP. If I may also add, I really like the design of PDF, its nice to read and if anything thats what matters the most, after paying for something you want it to be easy on the eyes and simple to understand. OP offers support, but even a 2y old kid can do this.

Trygon - July 8, 2015, 5:11 am

Thanks for the amazing review sonex, another one coming soon. :)

Rivalry - July 8, 2015, 5:51 am

Hiya, I'm Rivalry. I was contacted by Trygon - note that I didn't go to him - to review this ebook. My review is entirely unbiased, impartial, and fair. I am not affiliated with Trygon or this project in any way.

BASIC INFO

-

Author: Trygon

Pages: 15

Number of Methods: 2

Trust Scan: User is trusted

PROFITABILITY

-

There are two methods here. The first one is low yield, and I wouldn't recommend following through with it. The second one is absolute genius, though. Neither method is illegal by any stretch, although I would say that both are slightly morally shady.

Trygon advertises weekly yields of \$100-\$1000 with these methods. I can easily see that being achieved, especially using the second method. It requires no investment, so everything you earn is pure profit. The first method will generate less yield because what you're dealing with is lower value to start with, and each time a very small investment will be required. There is still definite potential to make money, though.

RATING: A

EASE OF USE

-

The first method has a longer set-up time and is generally more protracted. In my view, the ebook could also contain a little more clarity as to carrying out the first method successfully. It contains a few tips and templates for executing the method, which are a thoughtful addition and will definitely save time, but in my view there are a huge number of unexplored alternative methods to method 1 that would be much more effective that OP doesn't touch on. Still, it's easy to carry out.

The second method is dead easy to do. OP includes all of the relevant information and instructions for how to perform the method, and set-up time is literally minutes. I can't fault it. After it's set-up, it's totally autopilot (method 1 is not and will require a little maintenance, but it's still very easy).

RATING: A-

ORIGINALITY

-

I've never seen either method before. You must understand here that I'm a graphic designer, so I design threads for a lot of ebooks and thus encounter a lot of methods. The fact that I've never seen either of these methods before is thus fairly impressive in of itself.

The first method takes a reasonably well-known concept but puts an interesting spin on it. Trygon has included various ways to dodge saturated methods. It's pretty original.

The second method is more unique. A Google search throws up a few results, but it seems like people have been doing it by accident rather than commercially or on purpose. I would never have thought of doing this.

RATING: B+

GRAMMAR/PRESENTATION

-

There were a few basic grammar mistakes. However, given the fact that most people who write ebooks seem to be barely capable of spelling their own name, I was pleasantly surprised by the concise and clear nature of the writing. The meaning of the ebook is never hindered by poor grammar or punctuation, and I failed to see any spelling errors at all. Good stuff.

The presentation is good. Typography is clear and easy to follow, with headers/sub-headers/body text clearly demarcated. Images are included at every step along the way to show you what to do, which is a nice touch. Overall I was happy with the presentation.

RATING: A

CONCLUSION

-

Half of this is a great ebook. The other half should be thought of as a nice bonus method, or something to try whilst you're waiting for the better half (method 2) to start bringing in lots of money.

The methods are innovative, easy to follow, and well-presented. This ebook therefore earns a certified 'A' rating, and is recommended for purchase.

OVERALL RATING: A

Ebook methods have been tested and fully working.

Purchase now to finally start making money online.

mindcrasher - July 9, 2015, 12:49 pm

vouch for my boy Trygon he is totally legit as soon as I bought his book I started to make tons of money on the first day don't be afraid to buy this E-Book :)

Trygon - July 9, 2015, 1:37 pm

Thanks for the sticky, sales are open.

If anyone got any questions, don't be afraid to ask. :)

NoobCell - July 9, 2015, 1:40 pm

I notice how it says it doesn't involve Amazon/Craigslist, does that mean it's an eBay method?

Trygon - July 9, 2015, 1:42 pm

(Jul 9, 2015 01:40 PM)ZillaBoom Wrote: [\[CITE\]](#) I notice how it says it doesn't involve Amazon/Craigslist, does that mean it's an eBay method?

Hey, thanks for the question.

One method in this ebook is about various selling sites (not strictly eBay), but everything is explained step-by-step so it's not hard at all to do the method successfully.

NoobCell - July 9, 2015, 1:49 pm

(Jul 9, 2015 01:42 PM)Trygon Wrote: [\[CITE\]](#) Hey, thanks for the question.

One method in this ebook is about various selling sites (not strictly eBay), but everything is explained step-by-step so it's not hard at all to do the method successfully.

Does it offer tips on what products to sell? or is it just Keys?

Trygon - July 9, 2015, 1:51 pm

(Jul 9, 2015 01:49 PM)ZillaBoom Wrote: [\[CITE\]](#) Does it offer tips on what products to sell? or is it just Keys?

Ebook is strictly around a 100% working methods, everything explained (what to sell, how and where).

mindcrasher - July 9, 2015, 1:52 pm

I know its not that much money yet but hey its only the first day here is my proof of my earnings for it

and they are still going up ;)

NoobCell - July 9, 2015, 2:06 pm

All seems a bit shady, not you or the method, it's just everyone on Hf say's never to buy eBooks off HF :P

Trygon - July 9, 2015, 2:13 pm

(Jul 9, 2015 02:06 PM)ZillaBoom Wrote: [\[CITE\]](#) I didn't read the full thread and sorry if this is in the thread but does this work world wide? (I'm in the UK)

It will work in the UK 100%, maybe even more efficient than in other countries. As a matter of fact, as long as you have an internet connection, you're able to earn with this method.

EzioHD - July 9, 2015, 2:16 pm

How much I need to work for the set-up ?

NoobCell - July 9, 2015, 2:16 pm

(Jul 9, 2015 02:13 PM)Trygon Wrote: [\[CITE\]](#) It will work in the UK 100%, maybe even more efficient than in other countries. As a matter of fact, as long as you have an internet connection, you're able to earn with this method.

1 last question, it says on your thread design that if people don't make money within 50 days they get a refund, is that on any package of just the Elite package?

Trygon - July 9, 2015, 2:22 pm

(Jul 9, 2015 02:16 PM)EzioHD Wrote: [\[CITE\]](#) How much I need to work for the set-up ?

Literally 15 minutes, maybe even less because all you need to do is follow my steps in the eBook - everything is explained step-by-step.

R?DSPY - July 9, 2015, 2:22 pm

Are you actually going to give out refunds, or are you going to intentionally ignore when people ask for refunds?

Trygon - July 9, 2015, 2:22 pm

(Jul 9, 2015 02:16 PM)ZillaBoom Wrote: [\[CITE\]](#) 1 last question, it says on your thread design that if people don't make money within 50 days they get a refund, is that on any package of just the Elite package?

Refund is only available for elite customers, if you ever wish to upgrade to elite, you're free to do so, but you have to PM me to do it.

(Jul 9, 2015 02:22 PM)R?DSPY Wrote: [\[CITE\]](#) Are you actually going to give out refunds, or are you going to intentionally ignore when people ask for refunds?

I'm not planning to ignore my customers, I'm not such piece of trash. If you're an elite customer and

if you've tried this method for 50 days, I will 100% refund you, mark my words.

NoobCell - July 9, 2015, 2:25 pm

How much work does it take? Can it be autopiloted?

SoCloseToToast - July 10, 2015, 6:50 pm

(Jul 10, 2015 05:24 PM)thamanz1 Wrote: [\[CITE\]](#) How much work does it take? Can it be autopiloted?
The work is about 5-20 minutes or even sooner. You can basically master it and make the work easier. It can be considered autopilot since once it's set up, you can check once in a while. ?

thamanz1 - July 10, 2015, 7:08 pm

(Jul 10, 2015 06:50 PM)SoCloseToToast Wrote: [\[CITE\]](#) The work is about 5-20 minutes or even sooner. You can basically master it and make the work easier. It can be considered autopilot since once it's set up, you can check once in a while. ?

Sounds good, I have plenty of time (6-8+hrs a day), but was just curious. How long to make the money back if bought the Elite package? It says make between \$100-1000 the first week, so I guess it would be paid off in a week? Assuming there is no other costs ie, vps, proxy, etc?

Thinking I will pay for this tomorrow, as I got the day off so that means 8hrs+ free.

Trygon - July 10, 2015, 10:38 pm

(Jul 10, 2015 07:08 PM)thamanz1 Wrote: [\[CITE\]](#) Sounds good, I have plenty of time (6-8+hrs a day), but was just curious. How long to make the money back if bought the Elite package? It varies from person to person, but most of them made money back within the same day.

I was helping an elite customer yesterday, he made £90 in half day and it's fully autopilot as far as I was concerned. He just set it up and contacted me later today that he made so much. :)

As always, if anyone has any questions feel free to ask. If you're willing to purchase, there is an autobuy.

Thank you. ?

emachado - July 11, 2015, 12:31 am

I'm new here and I'm just wondering how well this actually works and how legit these "methods are".

I keep reading that these eBook "methods" are worth it and totally legit, and than I also read that their just scams and this "method" is old and it's just been reworded to be sold again.

Any input would be nice :)

Trygon - July 11, 2015, 12:59 am

(Jul 11, 2015 12:31 AM)emachado Wrote: [\[CITE\]](#) I'm new here and I'm just wondering how well this actually works and how legit these "methods are". Yes, unfortunately ebook's market has a bad reputation because 90% of the ebooks are just old methods re-written so it looks like something fresh and new, but in fact doesn't work at all. Also, people are also buying ebooks because of all the vouches, but they don't understand that those vouches are from seller friends. My thread has no friend vouches, all are from my real customers.

Does this method work? Yes, it does. All earning proofs you see on the thread are real and you are free to contact customers who posted it just to check it.

Does it require investment, is it hard? Absolute no to both of the questions. This method does not require additional investment and is not hard at all because everything is explained step by step. Just by following my steps from eBook, you can earn a lot of money.

If you have any more questions, feel free to ask.

lenin250 - July 11, 2015, 1:29 am

What is the maximum income per month possible with this? Any investment required or even recommended?

Trygon - July 11, 2015, 1:38 am

(Jul 11, 2015 01:29 AM)lenin250 Wrote: [\[CITE\]](#) What is the maximum income per month possible with this? Any investment required or even recommended?

There is no maximum amount you can make, you can make anywhere from \$100 up to \$1000 or even more.

No investment at all is needed.

thamanz1 - July 11, 2015, 5:30 am

The 2nd method is the autopilot method, ohh.. Well yes I guess it is a waiting game to see what happens. Don't see how the 2nd method can keep bringing in money though. Is it a not a 1 shot deal?

Trygon - July 11, 2015, 8:44 am

Exactly, if you feel like PM-ing me after purchase, feel free to do it, I won't mind. :)

Also, just a quick update. I was testing method 2 and it's working flawlessly. High profit, low risk and it's fully explained in the ebook. ?

Spoiler ([Click to View](#))

thamanz1 - July 11, 2015, 11:17 am

No bites yet :(can't private message yet

SoCloseToToast - July 11, 2015, 11:37 am

I recommend for method 2, try some new things to sell and not the listing OP provides! This will just help avoiding saturation and risk. ?

Trygon - July 11, 2015, 11:43 am

(Jul 11, 2015 11:17 AM)thamanz1 Wrote: [\[CITE\]](#) No bites yet :(can't private message yet

I have also sent you a PM with my Skype and email, I hope to get in touch with you soon.

Trygon - July 14, 2015, 4:14 pm

Heading to sleep now, if anyone has questions post here and SoCloseToToast will answer it. Ebook deliveries will be handled tomorrow if you purchase now, thanks. :)

SoCloseToToast - July 14, 2015, 4:29 pm

While Trygon is offline, I will answer your guy's questions. :)

Still up and running for questions for anything concerned about Grand Profit. I really recommend this method!

twinsen - July 14, 2015, 5:37 pm

Hi,

Does this method involve stock market ? Interest ?

Also, how much USD could I get if I spend 1hour a day working on this ?

You advertised " Up to 5000 \$ in only one week " --> If I get only very few amount of money like 50 USD a month Will I still be refunded ?

Thank's :)

SoCloseToToast - July 14, 2015, 5:44 pm

(Jul 14, 2015 05:37 PM)twinsen Wrote: [\[CITE\]](#) Hi,

Thank's :)

If you make more than you paid, no refund will be made. You can achieve \$5000 in a week which it all depends on your eBay. It does not involve with stock markets at all.

Anyone need questions about Grand Profit? PM me here or leave it down on the thread. :D

twinsen - July 14, 2015, 6:20 pm

ncw1337 - July 15, 2015, 5:29 pm

i have some questions before i purchase this ebook:

1. is it really easy? i dont like spending hours on stuff like affiliate marketing, just something easy to set up.
2. if it ever becomes saturated, do we get a free update with a working version?
3. can we skype you for unlimited support?
4. will it work on a slow computer?
5. will i start earning within days?
6. will i need a good feedback on my ebay account and good rep? becuase i just made an account and has nothing on it.

thanks alot! ;)

also, is this one step by step easy to use unique method?
or just a bunch :/

SoCloseToToast - July 15, 2015, 7:22 pm

- 1) Yes it is.
- 2) You will get an update.
- 3) You get Skype support for elite which I help when I am on.
- 4) Slow or fast, it doesn't matter. All you need is internet.
- 5) Yes you will. ;)
- 6) You can have 0 feedback and it will still work. If you have good rep, you will get more sales.
