Thread: [Want L33T? I got u \[10 secs 2 Enter\] \[WINNERS DRAWN\]](#)

Funtage - July 7, 2015, 7:49 pm

It's been a while, and I like doing these things whenever the warts on my penis are found to be non-related to STD's. Guess what, I have herpes, but here's some cash anyway.

Couldn't care less who you are, how shit of a member you are, whether you have positive or negative rep. Nada.

100 entrants, 100 posts. Post to enter, two winners drawn randomly.

Simple enough? You'd be surprised.

My one condition is that you must be a member who is not upgraded in any sense. That means if you're 1337, Ub3r or Ep1c get oudddda here. (don't even post)

I will neg anyone who doesn't follow the above.

Post count is your number, good-luck.

09wef - July 7, 2015, 7:58 pm

Well let me be the first to enter! ^^

Luccido - July 7, 2015, 8:18 pm

Posting to enter in this contest, Thank you!

The Supreme Gentleman - July 7, 2015, 9:11 pm

I'm not 1337, I'm only l33t, so I'm posting to enter for ub3r. I don't feel l33t is an upgrade. It's more of a downgrade. I am bullied for being green, rather than white, or blue.

I like neg reps. (Not reverse psychologying you.)

And my 666th post.

Not a coincidence.

Vualk - July 7, 2015, 9:12 pm
