Thread: [Best Username Contest - \\$5 Prize | PayPal](#)

Vegetable - July 11, 2015, 12:41 pm

I need a new username for things, it has to be above 4 characters - preferably catchy and unique. Will choose a winner when I find a username that I like. \$5 prize, PayPal.

+Haze - July 11, 2015, 12:42 pm

I've seen these kind of threads before. Nobody is going to get any money. OP then changes his name

Well, I am different. Why would I create a contest and not reward the winner?
