Lenchmob - July 12, 2015, 7:15 pm

So what's makes this better than other doxing ebooks

Male Problems - July 12, 2015, 7:17 pm

I will take a vouch copy and give a review if you are interested.

Moralitas - July 12, 2015, 7:21 pm

You can't dox in seconds. Instead of focusing on time try to emphasis quality.

wezli - July 13, 2015, 4:45 am

(Jul 12, 2015 07:15 PM)Lenchmob Wrote: [\[CITE\]](#) So what's makes this better than other doxing ebooks

Hey Lenchmob :) I think the reason that this is a good e-book is because it gives you detailed information about good methods I have personally found. It is very easy to follow for both beginner and more experienced users, and I am sure it will be helpful for any user.

(Jul 12, 2015 07:17 PM)Male Problems Wrote: [\[CITE\]](#) I will take a vouch copy and give a review if you are interested.

Yes. I have PM'd you :)

(Jul 12, 2015 07:21 PM)Moralitas Wrote: [\[CITE\]](#) You can't dox in seconds. Instead of focusing on time try to emphasis quality.

Gladly I have focused a lot on quality. This thread design was only meant as a joke. I will gladly provide you with a vouch copy if you'd like.

Marshall Mathers - July 13, 2015, 7:28 am

I've received a vouch copy and must say that, as a customer of the doxing ebook v2, this ebook is very HQ, detailed and there are methods in this ebook which weren't explained in v1, which I have never heard from before.

so you can really call it an unique doxing ebook.

Thanks for the vouch copy. I'm glad I bought V1 so I'm one of the guys who was able to get a vouch copy.

Kind regards,
Root. ?

FI?sh - July 13, 2015, 7:29 am

Are there anymore Vouch copies left OP?Let me know!

wezli - July 13, 2015, 7:32 am

Thank you very much for the review.

(Jul 13, 2015 07:29 AM)FI?sh Wrote: [\[CITE\]](#) Are there anymore Vouch copies left OP?Let me know!
Yes, but sadly only for ub3r members. I'm sorry!

FI?sh - July 13, 2015, 7:33 am

(Jul 13, 2015 07:32 AM)wait Wrote: [\[CITE\]](#) Thank you very much for the review.

Yes, but sadly only for ub3r members. I'm sorry!Dang OP lol,I was ready to write a Review to haha GLWS!

Male Problems - July 13, 2015, 8:00 am

I also received a vouch copy. I am still new to doxing and reading this really helped me understand how people go about doing this and was a great help. The E-book gives step by step instructions on how to complete a dox and is very easy to follow.

Great job Wait. This is a great E-book for beginners and advanced doxers alike.

I have sent you and the others that PM'd me a vouch copy!

No more giving out a vouch copy. Thanks for the interest all!

Celatix - July 13, 2015, 2:18 pm

Very HQ ebook!

I like the methods, never seen them before very detailed explanation thanks for the v2!

Aurora - July 13, 2015, 3:08 pm

I've received a vouch copy.

I can say this eBook is great for beginners. I've read through all the pages, though I believe it could have been shortened if a smaller size font was used. The methods are simple. Simple enough for anyone to follow. I'm not sure if it's just me, but I have seen everything in this eBook in the PI section. Just compiled up neatly I guess.

What I do like is that there are pictures. A lot of them. OP does go through the effort of "being the victim" to show the methods work. Though the methods of finding people in this eBook are public, he did put the time and energy into showing how they work.

Glad you both liked it! Thank you for the review.

Alside - July 13, 2015, 4:25 pm

I have received a copy of this ebook and here are my thoughts on it. This is for someone who is just starting doxing. If you are new to doxing this is a great ebook to help you get started. The author has included plenty of pictures to make sure you understand the concepts which is great. The author put in some time to make the ebook look pretty nice which is always a nice touch. I did not notice any grammatical mistakes. Overall nice ebook. GLWS OP

If anyone is having any questions about this e-book, please PM me! :)

Zeuv - September 28, 2015, 9:53 am

Just bought this e-book and it is very nice! Good grammer, and good methods. Some methods are public but most methods i've never seen before.

Huge vouch!

wezli - September 28, 2015, 11:49 am

If anyone is having any questions about this ebook, you can always reply to this comment or PM me :)

wezli - October 19, 2015, 6:43 am

If anyone is having questions about the e-book, I am online now. You can ask your questions in this thread.

Zayzo - October 20, 2015, 9:17 am

Dox everyone within minutes? Seems very misguided and like a marketing scheme.

If you can dox everyone within minutes, see what you can get on me. Instead of a few minutes i can give you hours.

wezli - October 20, 2015, 11:00 am

Hi there. I am not trying to misguide or mislead you.

I can assure you that the methods I explain about in this e-book are working and that you can dox people within minutes.

EDIT: I saw a dox about you on the internet, so I don't think doxing you is needed.

Zayzo - October 20, 2015, 2:00 pm

(Oct 20, 2015 11:00 AM)wezli Wrote: [\[CITE\]](#) Hi there. I am not trying to misguide or mislead you.

EDIT: I saw a dox about you on the internet, so I don't think doxing you is needed.I've never been doxed. Nice try. I'm not Faze Zayzo.

This is misguided information and a lie to all users. You can't dox anyone within minutes.

wezli - October 20, 2015, 2:50 pm

@Zayzo - Hi, I did not try anything yet, was just informing you about it.
