The title should be self-explanatory, Just personal message, or comment on the thread with the application at the bottom (if you don't use the application then I will refuse your request).

Application Format:

Main Text:

Sub-Text (If You Want Any)

Color Scheme (What color):

Image Url (The Image you want with the signature; you can just say a name and i'll look them up):

Any Border:

Other Information:

Note: I'm not going to be making anything that relates to any tools such as:

- Keylogger/Rat Softwares
- Ddosing Tools

Main Text: PixelPill

Sub-Text (If You Want Any): Gaming till early morning

Color Scheme (What color): White/Green

Image Url (The Image you want with the signature; you can just say a name and i'll look them up):

Do something to do with gaming.

Any Border: No :)

Other Information: Thanks a lot if you do this! I also love teen wolf and can't wait to watch the next episode tomorrow.

Main Text: Unparanormal

Sub-Text (If You Want Any)

Color Scheme (What color): Surprise me :D

Image Url (The Image you want with the signature; you can just say a name and i'll look them up):

Nothing specific.. Just something nice looking

Any Border: No

Other Information: Thanks alot for this dude.

Main Text: Zain

Color Scheme: anything that matches the image you choose

Image Url: Gaara (<https://imgur.com/TpKeZGC> Something like this. Not this image though)

Any Border: if you think it suits it xD

Other Information: I'd like the image to be on the left with a sandy base layer on the right with the main text on it. Sandy desert theme

That's if possible but do it however you think looks best :)

Thank you very much for doing this
