Hello,

Well,

As I'm new to the kik method, I have 5 custom packs, made by me! With a full verification, same girl, same position, same nude positions!

UPDATE: I'M NOT SELLING OR SHARING ANYTHING MY PACKS! SIMPLY IF YOU HAVE A CUSTOMER THAT ASKS FOR VERFICIATION YOU DONT HAVE, JUST SEND ME HIS KIK NAME, I WILL SELL HIM AND SHARE THE PROFIT WITH YOU.

I'd be happy to take these packs off your hands.

So basically you just want customers/free money? If you don't want to share the packs don't post stuff about them...

How can you guarantee someone you'll split the profit?
