Hello bro,

Can u update my resolver? (xyz-resolver) All tools are online now! :D

Grievous????? - August 9, 2015, 3:57 pm

Lets keep this thread alive.

It will help many people looking for some good resolvers.

S1NN3Rx - August 9, 2015, 4:18 pm

Keeping the post alive!

Thank you for the list on the other hand :)

Private666 - August 14, 2015, 9:36 am

Can you alter thread and add "v2" near insanity We've added changes such as

- 100% Stability no downtime
- Fast/Reluctant commands
- More Commands and more being implemented
- We have they largest cached DB for Skype IP's

Their's lots more but i don't want to be a spoil check it out Skype: insanity.bots2
