Thread: [Gauth Check](#)

Omniscient - July 16, 2015, 5:04 pm

I just made some changes to Gauth so that the "issuer" field is enabled.

Can a few members check to make sure existing Gauth codes are working?

Plague - July 16, 2015, 5:05 pm

It is working for me. I just tested it.

"Valid Code"

Meow - July 16, 2015, 5:05 pm

Everything is good for me.

Radar7 - July 16, 2015, 5:06 pm

Worked for me. Awesome work!

Layla - July 16, 2015, 5:06 pm

Tested and got "Valid Code."

240sx - July 16, 2015, 5:08 pm

Valid code, works good for me.

Realizm - July 16, 2015, 5:08 pm

It worked for me as well, thank you for the update as always ?

Tonight - July 16, 2015, 5:09 pm

Looks good to me.

Night - July 16, 2015, 5:12 pm

Valid Code, works for me as well.

Justin Timberlake - July 16, 2015, 5:15 pm

Works just fine, gave me a valid code.

Eternal. - July 16, 2015, 5:15 pm

Works for me perfectly. <https://i.imgur.com/laN4dUI.png>

SIM-1166170 - July 16, 2015, 5:17 pm

Works a'ok.

Orchid - July 16, 2015, 5:17 pm

Valid code, good job omni!!!!!!

Cammy - July 16, 2015, 5:17 pm

All is good

SomeWhiteGuy - July 16, 2015, 5:18 pm

As many other members have stated, no issues for me.

Gold - July 16, 2015, 5:57 pm

It is currently working

?

Fudster - July 16, 2015, 6:01 pm

Works for me :) Thanks for the update.

EthanX - July 16, 2015, 6:07 pm

- works for me

b?xxy - July 16, 2015, 6:19 pm

Works fine for me mister.

Salty Bacon - July 16, 2015, 7:17 pm

This is working for me. I got Valid Code and had no problems. Thanks for the Update Omni.

FantaŠec - July 16, 2015, 7:18 pm

Works fine for me as well. Valid code

Omniscient - July 16, 2015, 7:59 pm

Thanks guys. Glad it's working fine.
