Mixed Communications is a Teamspeak 3 Server developed by a group of gamers and various other individuals who believe you should have someone to speak to when gaming or just to converse. We offer you multiple channels to converse, play games and just do what you like with other people.

Upon entering, use a privilege key and receive the exclusive HackForums usergroup that is awaiting you.

List of keys below

There's a limited amount of Privilege Keys, so take one while you can and get the group.

If you don't manage to get one, contact a Teamspeak Staff Member and they will issue it to you.

We are also hiring staff members for the Teamspeak, staff members receive the following Special Staff Usergroup with Custom Permissions

Office inside the Staff Headquarters

Private Channel in the Private Channel Area

Password Key

Upon retiring, you get Retired Staff Usergroup

Staff Member Usergroup on the forums (Coming Soon)

Entries into Staff Giveaways

Upon Retiring, they can be chosen for Super User

· - Rules:

- - > No spamming or flooding
- - > No clones or malicious bots
- - > No distribution of child pornography

- - > Mixed Communications Server Managers reserve the right to revoke any permissions/groups/channels from you if they feel necessary
- - Our website is currently online, we will soon be hosting a
- - forum and maybe even create a few Gameservers of our own
- - www.mixedcomms.ga. If you have any queries, requests etc, send an email
