That's not a prank, that's just an asshole thing to do. A prank has to be clever, this is just retarded.

I think we all know that ops friend just wanted to see him naked.

Moon Rock - July 18, 2015, 9:24 pm

Yeah that's some pretty fucked up shit, how is that a prank? A prank doesn't hurt anybody like that, or isn't intended to...

The Supreme Gentleman - July 18, 2015, 9:37 pm

Put him in a plastic bag, stab at the plastic bag. Open the plastic bag, open his mouth, pour down gallons of bleach. Blame a new app. Get out of jail free.

Also, don't have to break any bones!

All goals accomplished.

Optional steps:

Throw him in the microwave/oven so the plastic melts to him.

Record it, so you can get famoose, profit, and scream "It's just a prank!" when cops show up.

However, I don't know if this is extreme enough for you. Contact me if you'd like a more extreme plan.
