Thread: [Thread deleted - LoL section](#)

Dallas Cowboys - July 19, 2015, 9:40 am

Was asking for a low level account to play on (basically boosting the account) and my thread got deleted.

I read the rules and they say nothing about what I did.

Yeah it is but in your thread you were requesting LoL account (that is considered as NFA account) for free and that is not allowed.

NFA is only allowed in the Non free section. Any account that has a paid service attached should be in NFA. Even if the site offers free registration. No one here will sell something free anyways. They'll offer accounts with upgraded subscriptions which have to be in NFA.
