Thread: [How to setup kik, so you can start e-whoring! video tutorial!](#)

dopepizza - July 19, 2015, 11:15 am

Hey people, i have made a video regarding how to setup KIK so you can e-whore! it tells you how to send pictures live, how to import pictures to your gallery!

<https://www.youtube.com/watch?v=16KJTrKkLVg>

Cvlt - July 20, 2015, 6:04 am

Thanks for sharing will watch this in a sec :P

no problem mate, finally someone that shows appreciation instead of those lurkers

ErarudoKoiru - July 20, 2015, 8:24 am

Thanks mate, much appreciated!

Delysid - July 20, 2015, 8:33 am

Nice vid, just make sure it's unlisted on youtube, we don't want potential buyers to randomly stumble upon this video and spread it around.

AGGIX - July 20, 2015, 12:49 pm

thanks homie, big help! keep up the good work :)

steadiedaim - July 20, 2015, 4:55 pm

Yo I dont see the ewhore tutorial rar in my downloads did you already have it there or did I miss something

dopepizza - July 20, 2015, 5:57 pm

I had it already! just download it.

G3TRoot - July 20, 2015, 6:22 pm

I was going to like your video, then I noticed you use a mac ?
