Thread: [Need help with your RAT or Portforwarding?](#)

Grievous????? - July 19, 2015, 6:14 pm

I've got some knowledge with some of the known paid RATs on here.

If you need help setting it up, i'll help you over Skype and TeamViewer if needed.

I also know how to setup DuckDNS and portforward on most VPNs sold on HF

?

omgifeelhard - July 19, 2015, 7:00 pm

Please add my skype. I just need help with opening the port. Thanks!

GretarAnswerMePlz <--- skype.

GretarAnswerMePlz <--- skype.It's 3:02 am rn, just got off my PC.

If you cant find anyone to help you before I get up, I'll help you out tomorrow ?

GI!
