Thread: [SatoshiMines Bot Source](#)

.TheMarv - July 20, 2015, 4:21 pm

The source is messy, I know ?

If you got any questions, just ask me.

nope its all written by myself, that's why it could be still kinda buggy ?

+Haze - July 20, 2015, 5:11 pm

I like this part of your source

I need to go take some goddamn alka-seltzer, I feel like throwing up

.TheMarv - July 21, 2015, 12:05 am

Well I'm not the best with vb ^^'

I just did my best to get a good result, but I'm open to ideas of improvement

+Haze - July 21, 2015, 12:12 am

Well there are classes written that help you to parse Json objects, meaning you don't have to write all that clunky code. You could just write one line of code that does it all.

Use this

<http://positron.pw/blog/7>

It'a a nice tut by Pat

.TheMarv - *July 21, 2015, 2:57 am*

thanks mate

I'll check this and use it for coming projects
