Gta-V Rofus Online Money Shop

About Service:[/size]

I am dropping cash in Grand Theft Auto Online for a small amount of usd\$.
I do one vs one private sessions to make sure you have a smooth successful collection of cash.
I have done plenty of successful sales already and have plenty of experience dropping cash/money and modding

Contact Information:

Private Message

Prices:

giving free 400K to test the services
1.5 USD for 15M in online
4 USD for 45M in online
9 USD for 120 in online
?

Payment methods:

PayPal

WebMoney

BitCoin

CSGO Skins

UnParad0x - July 22, 2015, 3:32 am

Taking CSGO skins as payments is pretty genius in my opinion. Plus your prices are decent. Good luck with sales. Oh btw, this is for all consoles?

Sorry ? i'm new here. How much can I get for free for next-gen consoles?

zipippino - April 30, 2017, 3:01 am
Still selling? I can't pm you
