This.

Just the fact that you scanned it in VirusTotal and are offering a "FUD" crypting service, makes me wanna cry :)

I Know It Its will report my file :P ok i will make other scan for new file crypted :)

Noxiu - July 22, 2015, 12:49 pm

He is not offering fud crypting. Asked him, he changed my binded file to one and totaly broked it. persistence and startup totaly broken, its also detected scantime and runtime.
