Thread: [A guy on kik was really mean and mocking some pics of another guy. Please help](#)

Jamiebryant - July 23, 2015, 10:36 am

So i trolled this guy and sent him pics of a handsome guy saying that was my BF, he was really mean telling me to kill myself, that he is ugly and things like that

If you look at the pics i sent obviously he is a handsome guy:

Look: <http://embed.gyazo.com/ebd9c2545438f157f2459149b4da3388.png>

And the guy i trolled has a hideous ugly face but he is a cold disgusting narcissist saying that he is handsome.

Hes name on kik is Danovic. Please talk madly to him, would appreciate if anyone also pretends to be a cyber police and tell that cyberbullying and pushing someone to suicide is a crime

EDIT: for the poll, its not saying NOAH anymore because i found a photo without text

What the fuck did I just read.

I'm starting to read through this sub-forum more and more and keep running across people who are either trolling, or are getting legitimately sucked into e-whoring.

This is hysterical.

Jfc OP, you sure you're not looking for validation of your own attractiveness by posting a picture of yourself, and you got salty when he shattered your ego.

I bet 3 voted "hideous gym guy" just to troll, or you'd have to be blind or seriously mentally ill if you truly believe that potatohead is better looking
