Important Reminder: Per ICANN 2013RAA's request, Hichina has modified domain names' whois format of dot com/net/cc/tv, you could refer to section 1.4 posted by ICANN on <http://www.icann.org/en/resources/registrars/raa/approved-with-specs-27jun13-en.htm#whois> The data in this whois database is provided to you for information purposes only, that is, to assist you in obtaining information about or related to a domain name registration record. We make this information available "as is," and do not guarantee its accuracy. By submitting a whois query, you agree that you will use this data only for lawful purposes and that, under no circumstances will you use this data to: (1) enable high volume, automated, electronic processes that stress or load this whois database system providing you this information; or (2) allow, enable, or otherwise support the transmission of mass unsolicited, commercial advertising or solicitations via direct mail, electronic mail, or by telephone. The compilation, repackaging, dissemination or other use of this data is expressly prohibited without prior written consent from us. We reserve the right to modify these terms at any time. By submitting this query, you agree to abide by these terms.

I would like to know if is this important/usefull to get this website database , and if is anyone willing to help out ?

That's just server/owner info. Not really useful. What is the site's link?

darkguide - July 24, 2015, 12:02 pm

This is the site's link sir , <http://www.talismanonline.com/index.aspx> !
