I know, Try click on the error image thing

The url works.

Premex - July 25, 2015, 3:43 pm

Trying this out now, the idea is really cool

clyy - July 25, 2015, 5:53 pm

i will try it out and repost here

We improved the #resolve

It should resolve with more apis.

The db api's resolves sometimes same with api 4

The bot is up running again!

We fixed new vps, hopefully it's faster than the other one.

We are also hiring mods that is watching operabot's chat for rule breakers.

Articulate - July 30, 2015, 1:53 pm

The bot is back up once again!

We fixed bugs/glitch/errors now, If you see any contact us on skype! :}

Articulate - August 9, 2015, 9:34 pm

We fixed few bugs, add the bot now ?

Articulate - August 12, 2015, 4:26 pm

The bot has been updated.

Fixed bugs again. Hope you like it.
