Thread: [More exploits setup on my IRC](#)

zUndoxability - July 27, 2015, 9:49 pm

Can anyone setup Light Aidra on my IRC Or Decent Servers want to take down websites and home connections easily , ,also wanna go over 2k Bots easily , add my SKYPE : doxability.exe (will pay if needed)

FBG Duck - July 27, 2015, 11:55 pm

Lightaidra literally has instructions on the github page are you too retarded to fucking read. It has a makefile that cross compiles for you... -_
