Thread: [Solve This Riddle \[\\$5\]](#)

NoLongerActive - July 28, 2015, 10:02 am

I'm trying to figure out this riddle for a game access token! If you can figure it out correctly and it has been unused then I will pay you \$5 via PayPal or Bitcoin!

Riddle:

Challenge #2 (very easy)

I live in the depths
Never seen the sunlight
Although I'm pretty much ready
I still need to be tested

When I float to surface
The pirates cry
I scare everyone
Who am I?

The answer to the riddle is the key. One uppercase word, 6 letters.

The game is for Pirates Online so if that helps, please hurry as its limited to 1 winner.

Kaneki - July 28, 2015, 10:04 am

Walt Disney™ - July 28, 2015, 12:20 pm

Is it Kraken?

I'm gonna keep thinking.

Elegant - July 28, 2015, 12:48 pm

The answer is Sharks.
Tell me if I'm right.

Bos™ - July 28, 2015, 12:55 pm

Mussel, try this and let me have the moni :p

UnParad0x - July 28, 2015, 1:45 pm

Oyster? Maybe a turtle? This is honestly hard

Asetric - July 28, 2015, 1:47 pm

It has to be Kraken, did you try all uppercase?

Might be an error with the game

AmishGuy - July 28, 2015, 1:50 pm

Posidon would be my guess

Mr. Fedora - July 28, 2015, 1:50 pm

Try Saint Elmos fire

Or KRAKEN in all caps

minimalist - July 28, 2015, 1:52 pm

ITT: OP saw that the answer was already posted to the public by various people, so he pretends that 'kraken' isn't the answer. He probably got it right, but just isn't honouring it.

daymon - July 28, 2015, 1:57 pm

Is it Posidon? ?

I said kraken first.

Come at me bitches.

'Cynical - July 28, 2015, 1:58 pm

Posidon

Gimme my monies. Thanks. ?

EDIT: Oh, it's Kraken? Cool. As for OP, you have to pay the guy who got it right first, otherwise you're a shitty scammer.

taloneyes - July 28, 2015, 2:36 pm

Try "Cthulu", let me know if it works.

Cheers!

This is what I'm thinking too, it can't really be anything besides that. Since "Pirates Online" is pirates of the caribbean.

According to all existing sources, it's kraken.

OP better be prepared to live up to his word... Otherwise he's a piece of shit. No one wants to be called a piece of shit.

Kaneki. - July 28, 2015, 2:43 pm

if it was kraken, i deserve to get the \$5, apparently he's a liar!

Pooh Shiesty - July 28, 2015, 4:38 pm

"KRAKEN" ? lol idk let me know if im right

Kaneki. - July 28, 2015, 8:26 pm

I went on the website and it says from all sources the answer was kraken... lol

The Pirates cry, Scurvy is my guess.

ChivoZD - July 30, 2015, 7:00 pm

Kraken i guess

Is this user hiding? LOL

Tidas - July 30, 2015, 10:08 pm

I can't imagine it not being Kraken. What I think is happening is that the riddle is for everyone in the game to solve and someone besides OP solved it.

It's not particularly about the money. It's about the fact that OP is scamming. Or at least something that is comparable to that.

?

64-Bit - August 2, 2015, 3:09 am

It was probably solved before OP even posted, Kraken was not hard to guess and someone had probably already solved it before the OP.

I'm not mad at all, and I don't need \$5. I wouldn't even be the one to get it as Kraken is the obvious answer. I just don't like fake contests.

sasukemystery - August 3, 2015, 7:24 am

It has to be Kraken tho xD?
