->>>>VOUCHES<<<<-

(Jul 16, 2015 07:49 PM)OverSight Wrote: [\[CITE\]](#) I've received a review copy of this ebook.

I think with time and not that much effort you could make a ton with this.
As far as originality, I have not seen anything like this so far.

Vouch for Brewster and hope to see if people making a lot of cash with this.

Sooo

Grammar 8/10

Originality 9/10

Satisfaction 10/10

(Jul 19, 2015 07:21 AM)Donkey1000 Wrote: [\[CITE\]](#) Hello, my name is Donkey1000 and I'll be doing a review of this eBook.

Method Quality : 9/10

This is a truly amazing method. It uses some other public methods and combines it with an entirely new one. As said, you can't be lazy or else you will not be able to do this method. This method is a gold mine and someone who is devoted and actually wants to earn will succeed.

Hat: White

This method is entirely white hat. Everything done in this is work done by the person in completely legal ways.

Grammar: 9/10

No big grammar mistakes, from what I saw in the e-book. In some sentences the occasional comma was missed.

Saturation Chances: 8.5/10 (10 is no saturation likeliness and 1 is completely saturated)

Is it unluckily for the method to get saturated. There are so many ways to get this done.

Overall: 8.5/10

In the end this method can make someone lots of money if they really tried. The seller obviously put a lot of work into this and it is not some terrible method that will never work.

Thank you and god bless ;)

(Jul 19, 2015 07:50 PM)Alside Wrote: [\[CITE\]](#) I have received a copy of this ebook and here is my review on it.

Quality: 9/10

The ebook is pleasant on the eyes and is not hard to understand. You have the option to invest with the method or to not invest, you can do the method either way so do not worry about that.

Method Effectiveness: 9/10

Using what is given in the ebook, you should be able to make some nice cash! As long as you put in the work you are likely to score.

Grammar: 10/10

I did not notice any grammatical errors in the ebook.

Ease of use: 10/10

The ebook is easy to understand. The method used in the ebook is not hard to follow along to. You are basically spoon fed all you would ever need to know to do the method successfully.

Disclaimer: I am in no way affiliated with Jordana Brewster and this is a completely unbiased review.

Hi,

the eBook has already been vouched from the previous thread

Jordana Brewster - July 30, 2015, 1:59 am

Get half price of the basic package with this coupon code: 5usdoff

Only 2 available

Jordana Brewster - August 31, 2015, 5:47 pm

eBook is updated. New content and more indepth explanations

ProfessionalGoogler - September 1, 2015, 12:32 am

So far I liked how fast and easy it was to get started on reading this ebook.

So annoyed of others where you have to unzip and then dig through some folders/crap to find the PDF.

What REALLY pisses me off is when they have a password, and then have to contact for the password.

Will get started reading this now. So far a good experience.

Hopefully everything will go okay for you.

Thanks for the purchase and the kind words.

Circle Pay - *October 18, 2015, 5:23 pm*

If you think buying something called 'SparkMoney' for \$10 can make you 'Hundreds a day' you are seriously mistaken. This one doesn't even need a paragraph on why its so shit :')

Jordana Brewster - *October 27, 2015, 8:01 am*
