Right here is my joke its a bit rude but sod it.

There's a pub that has a reward on who can make this donkey laugh and cry, he is willing to give all that he has to who ever that can make this donkey laugh and cry.

So this bloke came in to the pub and spoke to the owner and said "I can make this donkey laugh and cry", so the owner said "go on then make him laugh and cry" so the bloke whispered to the donkey and the donkey started laughing. The owner said "how the fk did you that" the bloke then said "watch this I make him cry, so the bloke took the donkey out side of the pub and the donkey came in crying hes poor little heart out.

The owner was confused and worried that all that he owns has now gone to this bloke, so the owner said "tell me how did you do it?!?!?"

Spoiler ([Click to View](#)) The bloke said "first of I told the donkey I had a bigger D""k than him, and to make the donkey cry I showed him"

ahahaha makes me laugh all the time.
