64-Bit - July 29, 2015, 3:42 pm

I deserve the upgrade even though I don't meet the requirements, I was born in Somalia then I drifted to Antarctica in a wooden barrel if that journey doesn't deserve an upgrade then what else does?

Black Kodak - July 29, 2015, 5:13 pm

Edit- changed rep for l33t down to 50.

100 was a little high.

Dickface - July 29, 2015, 5:15 pm

You can't upgrade people to ub3r when you aren't ub3r.

I can help you though (as in, upgrade them for you)

NonLeaf - July 30, 2015, 9:39 am

Hi,

I can't tell if I deserve be upgraded to l33t but I've been helping HF with my graphic skills for the

past months, I'm active and I thought about upgrading lots of times already but when I was going to upgrade, there was no option of "Paypal" for my country and that is my only option of payment, sad... PMed Omniscient and he told me that I had no chance of paying with Paypal and that's why I never upgraded.

As stated before I've been doing my best to help all the users here at HF and I think I am going in a good way. This account was created back in 2012, it has some time already.

I'm glad that some people like you exist not only in this forum but in our world, a great majority of people would never start a contest like this.

Well, it's up to you, thanks for starting contests like this OP.

Good luck everyone! ?

ChivoZD - July 30, 2015, 6:52 pm

I'm in, thanks for this giveaway!

Critique - July 30, 2015, 6:55 pm

Why do I want the ub3r upgrade?

Honestly, I've been wanting it since I got approved and been treading since the day to hustle a couple bucks.

I've been more into paying rent instead of working on getting this upgrade but hey, I'll give this contest a go and test my luck. What can I do for the community? I'll finally be able to sell MC accounts and some other Non-Free Account stuff & I will be encouraged to do more for the community such as, tutorials/giveaways and help out anyone that needs it.

I'll keep it sort and simple but we all start somewhere.

MohdAlshehri - July 31, 2015, 3:03 am

Hi posting to enter , I really want L33t for innuendo forum

atzo - August 1, 2015, 2:25 am

I want that l33t because ive been trying to dave up for it for a while B)

420 - August 1, 2015, 4:05 am

Hi,

thanks for the contest. I'd buy myself an ub3r but my PC broke so I ended up spending all my money on second PC. I'd been approved for several months already and it'd be cool to be on the blue side and have all the features like Trust Scan, low cool down on search, bigger inbox and posting in NFA section. And having Ub3r would motivate me to be more active and helpful on Hack Forums. Again, thanks for hosting it and good luck to all members.

I wish I can enter but I can't becoz I got nothing to contribute, wanting to code a program to contribute but ask advice first also backfire, so now I'm waiting for a reply from a mentor regarding it first. It's a long wait I guess.

OG_Breezy - August 1, 2015, 11:47 am

I'd like to win this Bro. Been aiming to shoot higher, & I made some mistakes when I first joined by asking for lq stuff, begging, etc. I've changed my ways, yet it's still hard to make your way on this membership system ;'3. It'd take months for me to achieve this, but if you were to grant it towards me, I'd have faith in kindness again.

titanbullet - August 1, 2015, 12:05 pm

I am trying to take programming very seriously, and I don't think I will be recognized without being upgraded, and upgrading myself is impossible as I live in Greece and I can't use banks. :/

I also have some +reps that say that I should be upgraded by honorable members!

laklaker - August 2, 2015, 1:01 am

Question: Why do you need to ask if should we be upgraded if you will just use a random number generator? What's the sense? Lol.

Anyway, I'll just make this short I helped user with their personal problems. This type of act is rare since most of the people has this kind of problem but I'm here to help. I already helped a lot here in HF since the time I was here.

Good luck to everyone who joined and Thank you for this giveaway!
