VOUCH COPIES 1/1

Hit me up for one vouch copy.

I'll give a vouch copy to someone who has been here longer and more trusted, Sorry.

Socrates???? - July 29, 2015, 8:24 pm

I have now completed reading the ebook and here is my honest review.

This ebook is very basic. But then again its also very cheap. I believe if your dedicated enough you could make some money from it but i dont see you making 500\$ a week from it.

It's written as you'd expect it to be. Grammar is good, spelling is fine.

There is a fuckload of info i didnt know in here, and so many damn helpful links.

Being totally honest, you will learn from it, you will earn from it, and im pretty sure everyone will be satisfied.

For the price and info in there id say its worth it.

Good luck op!

"You can earn up to \$1000 a week!"

"Earn \$500+ a week"

"You'll be earning \$100's a week..."

?

Review

Grammar 10/10

I didn't notice a single grammar mistake.

Content: 10/10

The eBook contains the method that WILL earn you money. I can't find any faults in the content, taunt provides more than enough info and resources to do this method. I know for a fact this works and any user with any skill level could earn with this.

Originality: 8/10

I personally used something similar and this is why I know it works. All it takes is a little work and patience and you'll be earning money in no time. Once set up you can spent 5-10 mins each day maintaining the method to keep your earnings rolling in.

Layout: 10/10

Very simple design, its nice and neat.

Overall: 9.5/10

You will 100% be able to earn from this. Its a very nice way to make some profit, no investment is needed but I guess would be an advantage. At first you won't be earning \$500 per week but in time you will be with the potential to earn even more.

Personal message

I advise people to buy this method. If you have some free time each day and want to turn that time into \$'s then this is for you.

Okey, good luck with the sales. ?

-Taunt - July 31, 2015, 12:05 pm

Having a 1 week sale!

Standard is now \$5!

Premium is now \$8!

Bumping this up, still selling this!

-Taunt - August 2, 2015, 11:08 am

Bumping this back up, sale is still going on!

Standard - \$5

premium \$8!

If I do this method will i have to wait a month for a cash out?

And does this involve affiliate marketing or CPA?

And if I'm 9 years old and i live in china will I be able to do this?
