Thread: [Unlimited Instagram Followers and Likes! - Only \\$7! - PP/BTC/OMC Accepted! - No JB!](#)

-Taunt - July 30, 2015, 9:30 pm

This method is on how to get Instagram Followers and Likes, these followers are fake but you can get unlimited amount, as many as you want. There isn't a limit, you can even use this method to start your own little service. The BEST thing is that with this method you DON'T need a JAILBREAK device and you can do this on any phone/computer!

Requirements

There are two requirements, a phone (duh), and a computer with internet access. Everything else you need is provided to you in the method.

No you need a computer, although i think you can do it with a iPad. I am not sure i haven't tested it.

Begginer - August 2, 2015, 3:00 pm

I am waiting to see a honest and complete review then I can maybe buy it!
