Thread: [Free HackForums award || Free Upgrades || ECX Forum](#)

Jhené Aiko - July 31, 2015, 8:37 am

Giving away a free hackforums award to the first 100 members that sign upto my forum from HF, I will also be picking random members to get a free premium upgrade.

To get the award and be in with a chance to get a free upgrade sign up [HERE](#) and post your username on ECX here.

Are you serious? This is not a HF award, it's an award on your forum. I can't see anyone with a new HF award.

Sorry, it wasn't so clear to me, I must need new glasses.

Thread title says Free HackForums award not free award to hackforums members when you join ECX Forum.

But, thanks anyway for the award.
