Maxi - August 1, 2015, 7:41 am

Can I get a vouch copy? would be nice!

Fudster - August 1, 2015, 7:42 am

I would love this. How do it work? Is it a exploit? Or is it legit?

How long does it take to make one domain?

Am I able to control the WHOIS Record and even add WHOISGuard?

Replying to all in this lil' message:

Giving a vouch copy to Maxi, it is sort of an exploit, domains last 1 year minimum, and you can add WhoIsGuard,etc.

Okay, just to clear things up, you cannot register ANY domain just any available domain and I am still selling :)

I gave out one already, and I think that offering it for \$10 when you could make a site and stuff and resell and make \$100s is enough :P But thanks for the offer.
