Correct me if I'm wrong but you have to be 13 or older to be on this website.

I believe it says you have to be 13 or older, but if you're younger you have to have parents consent or something, not sure though.

But I bet he is trolling lmao.

For a start you need to be 13, secondly if you think "I'm 12 and a hooker friend" (Friend probably being corrected from F*ggot) is enough evidence and worth this thread then you're an idiot. PM a staff or just report the post.

Cheeb - August 3, 2015, 6:29 pm

Was a thread about this really needed?

Shrooms - August 3, 2015, 6:30 pm

Or you can just check on <https://hackforums.net/allhelp.php>

but hey let me make a thread real quick when you can easily find it.

Our Commitment To Children's Privacy

Protecting the privacy of the very young is especially important. For that reason, we never collect or maintain information at our website from those we actually know are under 13, and no part of our website is structured to attract anyone under 13. Upon registration all children under 13 are denied.
