This has to be one of the best marketing campaigns I've ever seen for any film.

"from the studio that inexplicably sewed his fucking mouth shut the first time"

LOL

Vitani's Mate - August 3, 2015, 8:42 pm

This shit is fucking awesome.

Deadpool is awesome.

Can't wait to see the movie, hope it lives up to everyones expectations.

doodadood99 - August 4, 2015, 12:52 pm

Looks interesting. Deadpool being selfaware and breaking the fourth wall in a movie is gonna be weird though

King Cin - August 4, 2015, 12:54 pm

You've got to hand it to his personality here. Classic Deadpool.

Shame there was nothing added to the trailer from the leaked Comic-con one but still hyped

SIM-2270048 - August 6, 2015, 1:02 am

Isn't this the dude that acted in the movie RIPD

Yes, he also played Green Lantern in GL movie

xcontroller - August 6, 2015, 7:48 pm

I heard there's a trailer out there with Fantastic Four in it? Are they really going to do a crossover or is it just a trailer?
