Thread: [Not sure where to post questions... Can I do a contest to win Netflix accounts?](#)

I do not wish to sell the accounts, but I would like to give them out in a contest form. Could I do this in the "Member Contests" section or is it against rules?

Nope, this is not allowed.

I'm not sure, but I don't think this would be good as there are so many generators online that work like a charm.

Not allowed to give out sadly.

Okay, thanks for clearing that up. I'll just have to sell them for \$0.01.

Questions regarding the site policy belongs in Rules, Announcements, News, and Feedback.

Furthermore you are not allowed to give away Netflix accounts, as you cannot give away non-free accounts.
