Yoshi - August 5, 2015, 8:10 am

I am: Online

(If I am offline I will get back to you in max. 12 hours)

Selling for WU @ 10%

My BTC > Your PayPal

Rate: 15% for more than \$20

Rate: 20% for less than \$20

Your BTC > My PayPal

Rate: 1:1

Max amount: Different for each user based on trust. don't PM me wanting to exchange \$300+ if ur account is shit.

T.O.S:

1. I have the right to refuse service to anyone I deem not trustworthy.
2. The funds must come from a legit PayPal which is registered under YOUR name.
3. Middleman will be used on your costs.
4. I am most likely not going first.

Not being dramatic at all. If there is another time like this I will either keep digging or just wait for my usual exchangers to get on. Every one of your responses seem to give a hint of dick riding. Even when I prove he is in the wrong. Not that hes done something horrid but that he made a mistake that he needs to fix.
