Thread: [Asiimov Xbox one remake](#)

Wake - August 5, 2015, 9:48 pm

So a while ago I made an Xbox controller with a Asiimov theme that some of you may remember

[img]http://orig13.deviantart.net/b804/f/2015/019/a/e/cs_go_asiimov_xbox_one_controller_design_by_link_designs-d8elcm3.jpg[/img]

And a lot of you gave me some really good feedback along with some things I could have changed. And because this was made so long ago and I wanted to try it again and put your feedback to good use here is what I came up with hope you enjoy it and all feedback is welcome.

Try doing a hyper beast remake.

This looks sick as hell buddy.

Keep it up.

The only thing I have to say is that the two black triangles look out of place:

Where they're at with the grey hexagon makes them look off and out of place imo

I know they exactly what you mean they look out of position it looks strange but they are right
thanks for your feedback!

Couldnt of said it better.

Looks fabulous.. If I saw this in stores, id buy it.
