Thread: [\[2000th Post\] Regular -> L33t | All you have to do is post about The Chosen One](#)

King of Hearts - August 7, 2015, 7:51 am

Hey,

For my 2000th post I've decided to upgrade 1 member from regular to L33t.

Entering this giveaway is simple. All you have to do is post a gif of your favorite scene in Harry Potter (I want to see how many other potterheads are here).

This is not a random giveaway. I will go through each entry and decide a high quality member I wish to upgrade.

Also, this contest will end on Wednesday, August 12th.

Thanks,
King of Hearts

Although I joined 4 years ago, I only post when my post will help someone else or if I need help myself. I don't like to go on posting sprees. I rather sit back and watch. Also, I usually have to clear out my pm every 1.5-2 months or so.

Thanks for the awesome giveaway ?

Not really the biggest Harry Potter fan, but this scene has made me laugh the most. (Mainly because me and my friends watched dubs of it when we were younger).

Here it is OP, made it with a little twist, hope you like it ? (from Harry Potter and the chamber of secrets)
