Thread: [Early access to Brawlhalla + Legendary Skins \[Post to Enter\] ENDS Today](#)

Walt Disney™ - August 10, 2015, 7:58 am

Managed to get access to this game, and allowed to give out beta/alpha copies.

Winner will receive:

White fang Nash skin
Long tooth spear skin
Howling skull hammer skin
Gnash legend
And the full game on Steam.

Currently in closed beta.

No this is not a steam gift. It's based off their website and was just recently put on steam.

Have 1 more of these left, so I thought I would share on HF.

Post to enter. Post # is your entry. First post will be your entry number.

Ends on the 15th.
