Thread: [Selling Custom Stress Sources - ReThemes Too - BTC Only](#)

c x y k - August 12, 2015, 11:01 am

Available for hire, private stresser source.

Will not accept partnerships.

Only accept BTC.

No lower than \$150.

Don't message me. Post here regarding any questions so others can see if they have similar/the same question.

50% up front, 25% a few days later after you've seen development, last 25% after it's finished.
\$30 for retheme.

\$30 to implement paypal to your site.

\$30 to implement bitcoin to your site.

\$20 to implement omnicoin to your site.

Post here regarding other work for custom prices.

Haven't really got past work to show off, although I have
