Thread: [Everyone on this website is retarded.](#)

~Jay~ - August 12, 2015, 3:05 pm

After a little over a year and a half on this website, I have come to the conclusion that everyone on this website is retarded to some degree, myself included. The one exception to this might be Omni because he's raking in the sweet, sweet tard money, but that's up in the air. Prove me wrong.

Spoiler alert:

Spoiler ([Click to View](#))

You can't.

Ta-kun - August 12, 2015, 3:06 pm

Pointing out the obvious. There are few people around here anymore that are worth speaking too.

By the way tell KKK I said 'Hi'. ;)

They're merely a lesser form of retardation.

Hey. I'm not retarded alright? I'm an atheist and have an IQ of over 170.

In this moment, I am euphoric. Not because of any phony god's blessing. But because, I am enlightened by my intelligence.

Yes, neg rep them for not letting a ub3r scam you! Yes totally fair bro. And non upgraded members don't even have a chance. When i had neg rep because of that guy who nearly scammed me, i couldn't even report him. I asked Factor8 and what did he say? Nothing. He just copy and paste that staff don't handle scams. So basically, you can scam on this site and don't even get banned. But as long as omni gets his pocket change, everything is good. And yeah make the 2fa only for upgraded members! And Trustscan only for upgraded members too! Yes!
