Live in a little city in the U.S and making money is

Easy. I guess the only problem is

Not getting into too much trouble.

A while ago I got into a big fight where I ended up beating an

ISIS member. He called my girlfriend

Sick for eating pig, more specifically a hotdog.

Garret; My friend, almost kept me from killing the scum. We drove away and did

A sweep to make sure his friends weren't around to follow us. He

Yelled at us while we were driving away.
