Thread: [My Angry Email To Sky | DONT BUY SKY INTERNET!](#)

samtenny - August 15, 2015, 2:03 am

"If something doesn't change. I'm going to Virgin. Online games are unplayable. Watching TV is awful. Internet and router constantly crashing. I pay £100s per month since we have a family of 9. I want a new router and fibre optic cables laid. I DONT CARE HOW MUCH IT COSTS YOU. I've been with you for 10 years and have probably have given you £5k-10k in that period.

Oh btw I pay for 25mbps and that's NOT WHAT I'M GETTING.

My area is: , ... "

That is the email I sent to sky and posted on their forums. #Enough

Everyone knows that sky is shit, get virgin media.

Wireless Network - August 15, 2015, 2:11 am

They suck. They steal your money, change your ISP.

Glubz - August 15, 2015, 3:13 am

I used to have Sky too. Secure, but shit.

Get that changed ASAP!

Vitani's Mate - August 15, 2015, 3:17 am

AAPT did the same shit with me bro.

It was fucking horrible connection and we were paying around 150 bucks.

I pay for 50 mbps and i don't even get up to 2 mbps download speed.
115\$ a month, been with them for over 15 years.

do you even know how much fiber cables cost for having an area laid out from the nearest fiber optic point that's over a 100.000\$ welcome to live in a rural area.

I use virgin and it's pretty good to be honest, had Sky once for TV purposes but the broadband was atrocious.
