Thread: [Looking for Long-Term Business Partners](#)

Gucci? - August 15, 2015, 5:51 pm

Dear HF,

As stated in the post I am indeed looking for some Long-Term Business Partners. Essentially my partners would be required to have some start-up money to invest into our new business.

To add to this thread, I already have a business plan. If you don't have any money or aren't willing to invest any money but have any knowledge of Advertising, Promoting, and/or Marketing; please contact me.

If this is something you're interested in and would like more information leave a Post, Message me, or leave your Skype. ?
