Thread: [SUPERNATURAL ANIME WITH OVERPOWERED MAIN CHARACTER](#)

CyberStudio - August 16, 2015, 2:38 pm

I'm looking for a supernatural anime with an overpowered main character. I enjoyed watching Tokyo Ghoul, Strike the Blood, and Black Bullet.

Suggestions?

SavageBoys - August 16, 2015, 2:40 pm

Kaze no Stigma.

Definitely fits the bill.

cortz - August 16, 2015, 2:41 pm

Gotta watch Irregular at Magic High School (Mahouka Koukou no Rettousei).

Probably one of the most OP characters ever.

It's not exactly supernatural but in Fullmetal Alchemist: Brotherhood, the main character is pretty fucking boss.

Owari no Seraph, OP!! It's a really good show with a really good opening. The MC is also OP, but I wouldn't say extremely.
