Thread: [Paying You Monthly or Weekly in PayPal to Wear My HF Signature! \[\\$2-\\$10\]](#)

zSerity - August 17, 2015, 1:55 am

Hello everyone!

You would be advertising for Write Wave, a freelance writing service:

I am willing to pay on either a weekly or monthly period. Please private message me your price and we can negotiate. I'll be paying \$2-\$10 PayPal per month depending on your post activity, rep, etc.

I will be keeping track and taking off the signature before the time agreed upon is forbidden, a scam report will be opened.
