Internet Explorer. - August 17, 2015, 2:29 pm

DEADLINE:

YOU HAVE TO WEAR IT FROM AT LEAST THE 1ST OF SEPTEMBER TO THE 7TH OF SEPTEMBER:

Hello guys.

Because of my recent launch of my CS:GO boosting project, I have decided to make this contest as well where you can win 25\$ for only wearing a signature.

Easy peasy.

Copy this into your signature:

Code

How it looks:

How to participate / win?

Wear the signature, and when we hit 7th of September, the contest will be over and the winner will be picked.

Winners will be picked using random.org, and your post number is your entry. ?

"This contest will keep running until we hit 2,000 replies."

You're never going to hit 2,000 posts, unless you're planning on having this contest run for a few years.

Also why would you end the contest at a certain amount of posts when the objective is to have your signature on?

The Sly - August 17, 2015, 2:45 pm

Headdy - August 29, 2015, 3:15 am

We're not even passed 20 entries :bebe-pleura: (if I'm not wrong, there are 18-19 people in right now). The longer it takes, the more people (unfortunately, but I'm still going strong) change their signature.

I just hope more people enter, the least effort has to be done to get 25\$.

I don't know why people change their signatures for a short time (the more people do it, the faster this is done).

I'd be more than happy to see more people entering, but I fear for a closed thread. ?
