Thread: [Domain Hunter Gather - Multi Task Domain Tool](#)

Savag? - August 20, 2015, 6:46 pm

Are you into Domains? Do you want to make money from domains or flipping websites? Well then Domain Hunter Gather is for you, with domain hunter gather you can do a variety of stuff such as :
Build a Private Network of Website

1. A Private Network or PBN (Private Blog Network) can be used in a number of ways to make you money.
2. Promote your own websites to dominate the SERPs in your niche
3. Sell / Rent links for an instant return on your investment
4. Fill with content and use their traffic to sell ads or media views

Redirect domains to money sites

1. Redirect to your own money sites for an instant traffic and SERPs boost
2. Rent the redirect to others for an instant return on investment

Flip them for profit

1. With Domain Hunter Gatherer Pro you can find domains worth hundreds or even thousands and register them for just the cost of registering a new domain
2. With DHG you can compare the quality of all domains against over 35 different quality metrics so you are only buying the absolute best quality domains

[Here are some videos including a variety of different subjects](#)

Yes I am currently reselling this, it's being sold right now and includes the following -
Domain Hunter Gatherer Pro (Add License USD) \$77.00 for each month Get all the benefits of Domain Hunter Gatherer Premium plus a state of the art and one of a kind expired domain gathering system. Find great aged domains that are perfect for improving your SEO efforts, investing, re-selling for profit, creating a Private Blog Network or anything else you can think of to do with exceptional domains that nobody else has access to.

But what's the difference between ordering from a me when I'm just reselling?
Because this isn't \$77 for you, this is only a small charge of \$40. If you want a "vouch copy" please go to <https://domainhuntergatherer.com> and try the 7 day trial.

Payment accepted are Bitcoins, you will receive instant activation and a account on there website.
