what is cash forum ?

cash forum is a growing community where you can share and learn money making techniques where every post you write gives you cash (no spamming ofc)

would i be able to make money right away ?

You will forsure be able to learn some tips and tricks to online money making. We are really striving to get more new members so hopefully this will help bring in some more information.

what would i get from this giveaway ?

1- you will be getting HF badge, all you need to do is simply write a thread into the introduction and mention that you came from hf or simply just pm me or Saint

2- On cashforum we have a "pay to post" policy where your account is automatically credited per post/thread you make. You can use your money to either cashout, or upgrade your account.

www.cashforum.org

Here is what the HF award looks like:

You mean with the credit system? You can spend your credits on things like

stickies/awards/userbars etc.
