About This Game

A young boy named Kurt finds himself stranded on a peculiar planet, and he must find his way home. Finding help from unlikely allies and the curious tools in his backpack, Kurt must use gravity-defying beams to conquer every platform and solve every puzzle on this strange journey. Featuring over 12 hours of action-adventure gameplay and fully-realized co-op, players are poised to experience a beautiful world set to an evocative soundtrack. With twenty-two different locations, dozens of foes and hundreds of secrets, Pid is like your world... only different.

Already have this game but thanks for the heads up OP

GuildMaster - August 23, 2015, 11:23 am

Got this before from another giveaway. Have to say that it's not a bad game at all.
