HWID Changer By Neos07

Source Code

[MediaFire](#)

Download

[HackForums Thread](#)

SIM-574702 - August 24, 2015, 12:19 pm

When I download source code it's only .rar with 1 .exe in it. Check the link.

kashttl - August 24, 2015, 12:23 pm

dOES IT WORK with programs? sorry for caps.

Neos07 - August 24, 2015, 12:32 pm

I apologize, I fixed the link.

Neos07 - April 26, 2016, 5:11 am

Bumping this as the VB.net section don't have alot of activity.

Dennamanarjag - April 26, 2016, 6:03 am

Since when is a volume ID a good HWID?

Ninja - April 26, 2016, 6:07 am

Use Github for the source mate.

Dredd - April 26, 2016, 8:02 am

This can be done using CMD but still nice release.

?

Neos07 - April 26, 2016, 2:00 pm

(Apr 26, 2016 08:02 AM)? Wrote: [\[CITE\]](#) This can be done using CMD but still nice release.

?

The program is actually doing it via CMD.

godlyitnetwork - April 26, 2016, 4:20 pm

Is he doing it via shell? or running from a .bat?

Neos07 - April 27, 2016, 2:10 am

(Apr 26, 2016 04:20 PM)godlyitnetwork Wrote: [\[CITE\]](#) Is he doing it via shell? or running from a .bat? He opens CMD hidden with the command line.

VirtualMon3y - April 27, 2016, 9:41 am

Hey Neos07 this still working? Might have to dl a copy for future use!

Neos07 - April 27, 2016, 10:44 am

Thanks my man... Another great product from Neos07 ?

VisualSoft - April 27, 2016, 2:38 pm

does the changed HWID stays for ever or its reset'ed back after restart.

Neos07 - April 27, 2016, 2:47 pm

(Apr 27, 2016 02:38 PM)VisualSoft Wrote: [\[CITE\]](#) does the changed HWID stays for ever or its reset'ed back after restart.

The changed volume id will stay forever until you change it again.

VisualSoft - April 27, 2016, 2:55 pm

(Apr 27, 2016 02:47 PM)Neos07 Wrote: [\[CITE\]](#) The changed volume id will stay forever until you change it again.wow , thats really good method, it can be used in many ways ? but will it effect other programs like net seal. conflict for its HWID.

Dennamanarjag - April 27, 2016, 3:13 pm

but will it effect other programs like net seal. conflict for its HWID.

If applications like net seal are dumb enough to use a volume id as part of their HWID, then yes.

ShadowBoi - April 27, 2016, 3:23 pm

Nice share man, Checked out the code did not actually know you could do this.

Thanks for sharing ?

Dredd - April 28, 2016, 2:37 am

(Apr 27, 2016 03:13 PM)Dennamanarjag Wrote: [\[CITE\]](#) If applications like net seal are dumb enough to use a volume id as part of their HWID, then yes.

I would highly doubt Aeon would use such as system but yes I suppose it's possible.

GGORI - April 28, 2016, 7:16 am

Is there anyway to change the processor HWID?

VisualSoft - April 28, 2016, 7:19 am

(Apr 27, 2016 03:13 PM)Dennamanarjag Wrote: [\[CITE\]](#) If applications like net seal are dumb enough to use a volume id as part of their HWID, then yes.

they do not use volume ID but they might use a Part of that ID.

Dennamanarjag - April 28, 2016, 7:52 am

(Apr 28, 2016 07:19 AM)VisualSoft Wrote: [\[CITE\]](#) they do not use volume ID but they might use a Part of that ID.

Which changes nothing?... A volumes ID is very prone to change and not smart to include in your HWID.

firm - September 19, 2016, 5:32 am

This works like a fucking charm. Thank you, dude!

ByMySide500 - September 23, 2016, 3:37 pm

Thanks so much for this homie

#Kat - September 25, 2016, 11:50 am

Im assuming he meant could have/should've been done with simple console this hwid changer reminds me of the days people used to lock programs with hwid ?

GitHub .. nice oldskool share

kayra - November 10, 2018, 4:17 am

check link pls and reupload source code
