The bot is having a couple issues with sending out responses to commands sometimes. You should be able to fix it by joining the group chat and doing it in there.

DOSH - August 25, 2015, 11:32 am

This is pretty cool, havent seen many free skype bots!

omfg if this works.... it be like awesome...

iLogic™ - September 3, 2015, 1:15 am

Nice bot. Hvae tried it and it is working like a charm.

CHAOS - September 4, 2015, 3:16 am

Very nice bot, been trying it and it works pretty damn good, i have one question about the ddos, how much power there is? i would like to buy a plan

It uses APIs from 4 different stressers at once per attack. It hits as much as the 4 stressers together hits

CHAOS - September 4, 2015, 9:51 am

Woow so it hits like a train, btw thanks bro :)

Nobody- - September 4, 2015, 10:50 am

Seems awesome. Hope it still works..

Master - September 9, 2015, 6:01 pm

Not working for me.... Wanted to try it :(

MonEy - September 12, 2015, 11:08 am

Vouch for this guy, you can trust him. ?

?Sh?wn - September 12, 2015, 12:22 pm

Hmm. Seems interesting. Adding the bot now to test it :P

Update has just been pushed. :)

WaLLBaNGzFTW - September 13, 2015, 10:49 am

Very nice bot indeed. GJ m8.

tuaavolo! - September 13, 2015, 1:08 pm

Thanks, this bot is still currently running!

Compulsive - September 13, 2015, 1:11 pm

This is really cool! This happens however:

If your asking for a vouch copy, no. People already bot premium and ultimate...I dont need vouches.

tropichugo - September 14, 2015, 12:07 am

Had one before but this works way better and has more commands.

Suggest it to anyone who is to lazy to use google

PrO__KiLeR - September 14, 2015, 11:23 am
